For questions about vacancies in U12/U6 building or in the MSI accommodation facility, please contact the Accommodation Officer **in charge of accommodation bookings** in the relevant Residence Hall of TBU no later than 24 April 2020, and agree with her on the date when you will move.

Students who fail to agree on the date when they will move to another Residence Hall before 24 April 2020 will be assigned a bed automatically, depending on the current availability.

Students who are physically present in the U7 building must, after duly handing over the assigned room, move out no later than 13:00 on 27 April 2020.

Students currently benefiting from the discount on the charge for accommodation who are not present in the building must move out their personal belongings at the earliest possible date; those students who fail to do so will find their belongings packed and stored for collection in the U6 building.

From 30 April 2020 onwards, entry to the U7 building of the TBU Residence Hall Štefánikova will be allowed only from 07:00 to 14:00 on working days.
