

Instructions to Students Who Stay in the Building of a TBU Residence Hall:

- Students are required to perform regular disinfection of washable surfaces in the assigned accommodation area, kitchenette and sanitary facilities at least 2 times per week (detergents are available in all flats as well as at the reception).
- Students are required to observe hygiene measures and, if they have health problems, follow the “Card of Instructions” guidelines.
- After leaving the flat (dormitory), students shall wear face protection whilst moving around the building and the common areas.
- If you have any queries to put to the reception/Accommodation Officers, please contact them by e-mail or by phone only:
