

HRR Director's Decree issued on 3 January 2022

Code: RKMZ/1/2022

From 3 January 2022 onwards, the operation of TBU catering facilities shall be regulated as follows due to COVID-19:

1. Tomas Bata University in Zlín (hereinafter referred to as “TBU”) prohibits the entry of a diner (hereinafter referred to as a “person”) into the indoor and outdoor areas of catering facilities if he/she shows clinical signs of the COVID-19 disease or, with the exemption of children under the age of 12, does not meet the requirements listed below:
 - a) The person evidences a negative result of an RT-PCR screening test for the detection of the presence of SARS-CoV-2 virus carried out in the last 72 hours, in the event that the person in question is
 - i) a person under the age of 18, or
 - ii) a person who cannot undergo vaccination against COVID-19 for contraindications; the fact that a person cannot undergo vaccination against COVID-19 for contraindications shall be evidenced by a record in the Information System of Infectious Diseases (ISID) containing explicit information that a person cannot undergo vaccination against COVID-19 for health reasons, or by a medical certificate explicitly stating that a person cannot undergo vaccination against COVID-19 for health reasons and that this fact is included in the Information System of Infectious Diseases (ISID); or
 - iii) a person vaccinated against COVID-19 in the event that
 - a. no less than 14 days have elapsed since the first dose of vaccine was administered in the case of a single-dose regimen according to the Summary of Medicinal Product Characteristics (hereinafter referred to as “SPC”) as at the date of evidencing of this fact for the purposes of the emergency measure (included in the Resolution No. 1066 adopted by the Government of the Czech Republic on 25 November 2021), or
 - b. in case of a two-dose regimen according to SPC, the person has not been given the second dose of vaccine yet, and the maximum amount of time set for the application of the second dose of vaccine according to SPC has not elapsed since the first dose of vaccine was administered as at the date of evidencing of this fact for the purposes of the emergency measure (included in the

Resolution No. 1066 adopted by the Government of the Czech Republic on 25 November 2021), or

- c. no less than 14 days have elapsed since the second dose of vaccine was administered in the case of a two-dose regimen according to SPC as at the date of evidencing of this fact for the purposes of the emergency measure (included in the Resolution No. 1066 adopted by the Government of the Czech Republic on 25 November 2021); or
 - b) the person has been vaccinated against the COVID-19 disease and provides evidence of this fact by presenting a national vaccination certificate or a certificate issued in accordance with the European Union Regulation on the EU digital COVID certificate, provided that at least 14 days have elapsed since the vaccination regimen was completed; a national certificate of vaccination refers to a written confirmation issued at least in English by an authorized entity operating in a third country, a template of which is included in the list of recognized national certificates posted on the website of the Ministry of Health of the Czech Republic; the written confirmation must include details of the person vaccinated, the type of vaccine administered, the date the vaccine was administered, the identification of the entity which issued the certificate, and all data must be verifiable by remote access directly from the written confirmation, provided that vaccination was carried out using
 - i) a medicinal product containing a vaccine against COVID-19 which has been granted a marketing authorization in accordance with the Regulation (EC) No. 726/2004, or
 - ii) a medicinal product the manufacture of which complies with the patent of the medicinal product referred to in Clause i), provided that the medicinal product has also been approved by the World Health Organization for emergency use; or
 - c) the person has already had the COVID-19 disease which has been confirmed by a laboratory and his/her isolation period has expired, and no more than 180 days have elapsed since the first positive rapid antigen test (RAT) for the detection of the presence of SARS-CoV-2 virus antigen or since the RT-PCR test for the detection of the presence of SARS-CoV-2 virus.
2. The fulfilment of requirements listed in Clause 1 shall be checked at the entrance to the catering facilities of the Refectory U4; persons are obliged to provide evidence of having fulfilled the requirements listed in Clause 1; a person who fails to provide evidence of having fulfilled the requirements at the entrance shall not be allowed to enter the TBU catering facilities in

accordance with the Extraordinary Measure issued by the Ministry of Health of the Czech Republic on 29 December 2021.

3. The fulfilment of requirements listed in Clause 1 shall not be checked at the entrance to the catering facilities of the Refectory U5, Restaurant U13 and Cafeteria U2. Persons are obliged to provide evidence of having fulfilled the requirements listed in Clause 1 prior to the provision of services; in the event that a person fails to provide evidence of having fulfilled the requirements prior to the provision of services, the services will not be provided in accordance with the Extraordinary Measure issued by the Ministry of Health of the Czech Republic on 29 December 2021.
4. The requirements listed in Clause 1 shall not apply to the purchase of takeaway food in the catering facilities of the Refectory U5, Restaurant U13 and Cafeteria U2, and the persons are not allowed to eat such a food in the indoor and outdoor areas of the relevant catering facilities.
5. This Decree abrogates the preceding Decree No. 09/2021 issued by the HRR Director on 19 November 2021.
