

List of electrical appliances permissible in the Halls of Residence of TBU in Zlín and the Garni Hotel from 1 July 2023

Halls of Residence of TBU in Zlín and Garni Hotel

Microwave oven, kettle, toaster, toaster oven, waffle iron, coffee machine, blender, rice cooker, lamp, PC, notebook, printer + multifunction devices, personal hygiene tools, extension cable.

The permissible appliances can only be used if they conform to technical standards concerning safe operation specified in the CSN Standard.

Garni Hotel

In the event that the room equipment does not include a fridge, students who have signed an Accommodation Contract have the option of bringing their own fridge after prior agreement with the Accommodation Manager of the Garni Hotel (the fridge including a freezer may have a total volume of no more than 120 litres and must have passed a valid check and inspection in accordance with the Czech Technical Standard CSN 33 160).

For the use of non-permissible or non-conforming electrical appliances, a fee shall be charged in accordance with the Charges for Damages and Sanctions. Repeated use of non-permissible or non-conforming electrical appliances will result in a termination of the Accommodation Contract.
