- You have to log in first

The screenshot shows the login interface for ISKAM 4. At the top, there is a logo consisting of three hexagons with icons (a bed, a key, and a fork) followed by the text "ISKAM 4". Below the logo, there are two input fields: "Login:" with the placeholder text "TBU_name@utb.cz" and "Password:" with a masked password ".....". A dark blue "LOGIN" button is positioned below the password field. Two blue callout bubbles provide additional information: one points to the login field with the text "For example: A_dobry@utb.cz", and the other points to the password field with the text "The password you were assigned at enrollment, unless you have changed it."
