If I want to recharge my account.

Here you can see the current status of your account.

After clicking on Recharge you will be redirected to a new page with options to recharge your "credit" in the ISKAM system. This can be done by using a QR code (ATTENTION this is not an instant payment, but only to simplify the payment from account to account) or by using the payment gateway - CHARGE ONLINE (here the credit to your account takes place in minutes).

## Charging an account

- You have to log in first

The image shows the login interface for ISKAM 4. At the top, there is a logo consisting of three hexagons with icons (a bed, a fork and knife, and a credit card) followed by the text "ISKAM 4". Below the logo, there are two input fields: "Login:" and "Password:". The "Login:" field contains the text "TBU\_name@utb.cz". The "Password:" field contains a series of dots. Below the password field is a dark blue button labeled "LOGIN". There are two blue callout bubbles. The first bubble points to the "Login:" field and contains the text "For example: A\_dobry@utb.cz". The second bubble points to the "Password:" field and contains the text "The password you were assigned at enrollment, unless you have changed it."

- Then go to the Account menu → Accounts

- Select Charge
