

## List of permitted electrical appliances from 1 May 2025

This list applies to UTB university halls of residence and external accommodation facilities (Garni, MSI, Max32).

### Permitted electrical appliances

#### ✓ Kitchen appliances (only allowed in kitchens not equipped with appliances listed below):

- Microwave oven (heating only, no grill)
- Electric kettle
- Toaster, toaster, waffle maker

#### ✓ Other appliances (allowed in rooms):

- Flashlight
- Computer, laptop, tablet, printer/multifunctional device
- Vacuum cleaner
- Personal hygiene appliances (e.g. hairdryer, shaver)
- Extension cord

### Rules for the use of electrical appliances

- ⚡ All appliances must comply with the ČSN standard and must not have a power output of more than 1.5 kW per appliance.
- ⚡ The total power of kitchen appliances in the kitchens of accommodation cells and apartments must not exceed 4 kW.
- ⚡ Kitchen appliances cannot be used in the rooms.

### Exception for guests staying in Hotel Garni

Students staying in Hotel Garni, where the room does not include a refrigerator, can bring their own refrigerator (max. volume 120 L, including freezer) after agreement with the manager. The refrigerator must have a valid inspection according to the standard ČSN 33 160.

### Possibility to bring other electrical appliances for a fee

By prior arrangement and payment of a fee according to the price list of services can be brought:

🎵 **Electric musical instrument** – **only** with the consent of the roommates and in compliance with the nighttime rules. In case of noise complaints, the instrument must be removed.

🛴 **Electric scooter or electric bike** – **storage** is only allowed in the bike room (if available). If the wheelhouse is not equipped for the storage of these vehicles, their storage cannot be allowed.

🌀 **Portable fan/air cooler** (allowed from 1 May to 30 September).

💧 **Air purifier.**

☕ **Coffee maker,**

🍲 **Rice Cooker**

🔌 **Other electrical appliances required for study or medical reasons (subject to prior approval).**

### Penalties for breaking the rules

⚠ The use of unauthorised or non-compliant appliances is charged according to the **Schedule of Damages and Penalties**.

⚠ Repeated violations may lead to termination of the Accommodation Agreement.
